

REMARKS

Claims 6, 21, 32, and 68 have been amended as suggested by the Examiner to address objections. Claims 29 and 58 have been amended to delete “the” to be consistent with the Examiner’s interpretation as adopted in the Final Office Action. As a result, the § 112, ¶ 2, rejections of claims 29 and 58 have been overcome. Entry of this Amendment is appropriate since the scope of the claims has not changed, and the Amendment removes issues from appeal.

The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 08-2025 (200208633-1).

Respectfully submitted,

Date: August 13, 2010
